- Not available

#### 3. COMPOSION/INFORMATION ON INGREDIENTS

Chemical name	Trade names and Synonyms	CAS No	Contents(%)
POLYETHYLENE	Ethene, homopolymer	9002-88-4	≥ 99
Additive*	Not applicable	Not applicable	< 1

\* In additive components, there are no 1% or more hazardous substance subject to management, no 0.1% or more carcinogens and germ cell mutagenic substance, no 0.2% or more respiratory sensitizing substance(gas), and no 0.3% or more reproductive toxic substance.

### 4. FIRST-AID MEASURES

- A. Eye Contact
  - Do not rub your eyes. - Immediately flush eyes with plenty of water for at least 15 minutes and call a doctor/physician.
- B. Skin Contact
  - Flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes.
  - Wash contaminated clothing thoroughly before re-using.
- C. Inhalation
  - When exposed to large amounts of steam and mist, move to fresh air.
  - Take specific treatment if needed.
- D. Ingestion

- Please be advised by doctor whether induction of vomit is demanded or not.

### 6. ACCIDENTAL RELEASE MEASURES

A. Personal precautions, protective equipment and emergency procedures

- Remove all flammable sources

- If it is not dangerous, stop leaking.

- Take caution of substances and conditions that should be avoided.
- Ventilate properly.
- DO NOT touch the effluents or walk around the area.
- Prevent producing dust.

#### B. Environmental precautions

- -Prevent runoff and contact with waterways, drains or sewers.
- If large amounts have been spilled, inform the relevant authorities.
- C. Methods and materials for containment and cleaning up
  - Large spill : Stay upwind and keep out of low areas. Dike for later disposal.

- Notify the central and local government if the emission reach the standard threshold.

- Disposal of waste shall be in compliance with the Wastes Control Act
- Appropriate container for disposal of spilled material collected.

- Small leak: sand or other non-combustible material, please let use absorption.

- Wipe off the solvent.

- Dike for later disposal.

- Prevent the influx to waterways, sewers, basements or confined spaces.

- Spilled material should be treated as a potential risk of waste collected.

# 7. HANDLING AND STORAGE

A. Precautions for safe handling

- Wash thoroughly after use.

- Dispose of the waste in accordance with all national laws and regulations

: Not applicable

## 14. TRANSPORT INFORMATION

A.UN No. (IMDG CODE/IATA DGR)

B. Proper shipping name

C.Hazard Class

D. IMDG CODE/IATA DGR Packing group

- E.Marine pollutant
- F. Special precautions for user related to transport or transportation measures

- Local transport follows in accordance with Dangerous goods Safety Management Law.

- Package and transport follow in accordance with Department of Transportation (DOT) and other regulatory agency requirements.

- Air transport(IATA): Not subject to IATA regulations.
